would refer to or recognize the pertinence of any reference without the benefit of hindsight, nor should an inference be drawn as to the pertinence of the references based on the order in which they are presented. Submission of this statement should not be taken as an indication that a search has been conducted, or that no better art exists.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application and the references made of record therein. **Note that a previous seventh Supplemental Information Disclosure Statement (IDS) filed on April 13, 2000 was inadvertently designated Group Art Unit 3661.
